- 7 Other Pulse Crop, sheaf, for grain
- 8 Hard Wheat, 1 decalitre
- 9 Two-row Barley, 1 decalitre
- 10 Narrow-leaf Lupins, 1 decalitre

CSBP BIOMASS COMPETITION

The aim of this Category is to compare paddocks, rather than a single sheaf of crop, and give a true comparison of how paddocks are likely to yield. This will be done by Biomass Images being taken and assessed by CSBP. There is a very good correlation between crop biomass and yield and it is a good way to compare crops throughout the Mullewa region. Growers can enter into up to 3 grain sections.

CLASSES

- 11 Wheat
- 12 Lupins
- 13 Canola

There are two parts to the competition. To be eligible, growers need to register their paddocks at info@mullewashow.com.au prior to **Sunday August 9th 2026**, **AND supply a sample of the crop for a display on Show Day.**

For further information and detailed instructions:

please contact the President – Tim Critch by email: info@mullewashow.com.au

Please Note – This competition is subject to weather conditions on the day that aerial biomass images are taken.

Class 14

"BUGGER" PHOTO COMPETITION

Enter your best Photo depicting a "Bugger" moment on the Farm.

The event, rather than photo quality, is to be judged. Photos to be printed in A4 format preferably (plain paper is fine).
